

WOMEN

are invited to talk about their experiences
and perceptions of being

SINGLE

for a study into whether being single
affects women's social,
work or domestic lives

I would like to talk to women living single
and to women in relationships

If you can spare about an hour of your time
and would like to participate

telephone Andrea
9266 3009 (daytime) or
9472 3987 (evening/weekend)
